- 5 Update, discussion and potential direction to staff regarding the 2015 Session of the Nevada Legislature. 3:44 PM**

Scott Gilles, Legislative Relations Program Manager, discussed the matrix prepared by staff for the Council, and provided an update on Assembly Bill (AB) 138 (revises the

provisions governing the forfeiture of property); and AB 162 and Senate Bill (SB) 111 (provides for the use of body cameras for police officers).

Discussion ensued regarding use by the Reno Police Department of forfeiture funds, the high cost of public records requests for videos made by police officers, and the possibility of using portions of the videos out of context.

Mr. Gilles discussed SB148 (revises provisions governing concealed weapons), and how it would affect security procedures in public buildings.

Discussion ensued regarding the affects of SB148 on City Hall, the lessees of City Hall, and other properties owned by the City (National Bowling Stadium, Downtown Events Center, Ballroom, etc.).

Council Member Bobzien stated that the legislation will probably move forward, and the City should at least request a clean up of section 4 and removal of the 'and' in 'and/or'.

It was moved by Council Member Duerr, seconded by Council Member Bobzien to oppose SB148.

Motion carried with Council Member Delgado absent.

Mr. Gilles discussed the status of SB149 (provides for a program of matching grants to local governments for the maintenance and repair of public works).

Council Member Brekhus questioned the source of funds for this provision, and Mr. Gilles said that he would return with more information.

It was moved by Council Member Brekhus, seconded by Council Member Bobzien to support SB149.

Motion carried with Council Member Delgado absent.

Mr. Gilles discussed SB144 (pedestrian safety) and SB152, which may be amended into SB144.

It was moved by Council Member Jardon, seconded by Council Member Bobzien to support SB152.
